Subject: BHE GT&S Business Transformation

Notice Text:

As part of our transformation, BHE GT&S is excited to commence a system transition beginning March 31, 2023 to new systems at Berkshire Hathaway Energy. These systems are not related to our EBB platform, and we do not anticipate any disruption to our EBBs. Customers are expected to be able to perform business as usual during this time. Many of our employees are working diligently on this transformation, so please be patient should you experience slower than normal response times. We appreciate your patience as we work to successfully complete this transition while continuing to provide you with great service.

If you have any questions, please contact your Customer Transportation Representative or Interstate Marketing Manager.
