Subject: Hastings Planned Maintenance - UPDATE

Notice Text:

Hastings Extraction Plant continues to be out of service for planned maintenance.
However, the work is progressing well and it may be returned to service as early as this evening on Monday, May 2, 2022.

At this time, all producers who were asked to shut in for this work should remain shut in until further notice.

EGTS will make another posting when the work is complete and producers can turn back in line.

Please continue to monitor these postings for updates.
