Subject: Hastings Extraction Plant Returned to Service

Notice Text:

Hastings Extraction Plant has completed its annual maintenance. This notice provides additional information regarding operating conditions on the EGTS system as a result of this outage (Supersedes Notice 244022)

Effective immediately, all gathering wet system production and direct taps feeding into the Transmission wet system flowing to Hastings that were previously shut-in can turn back in.
Please coordinate with your downstream operator to confirm if your production can be turned back in.

The following EB Meters can turn back in: EB120, EB130, EB145, EB170, EB210, EB370, EB380, EB455, EB470, EB480, EB490, EB560, EB605, EB610, EB615, EB640, EB645, EB655, EB660, EB665, EB725, EB735, EB740

Please continue to monitor these postings for further updates. If you have any questions, please contact your Customer Transportation Representative or Interstate Marketing Manager.
